

The St. George and Sutherland Shire TABLE TENNIS ASSOCIATION

Dear teams,

This is a reminder that all players must use ITTF approved equipment.

We always recommend a player inspect their opponent's racket before a match commences. If you are unsure about a racket, you may bring it to the attention of the Committee immediately who may consult an ITTF approved Umpire.

If you decide to continue with the match without alerting a committee member or an ITTF approved umpire, the results may stand and not be voided.

Please see more information on approved equipment on the website below:

Kind regards,
SSTT Committee
